### Plot Summary

Forty years ago, Harriet Vanger disappeared from a family gathering on the island owned and inhabited by the powerful Vanger clan. Her body was never found, yet her beloved uncle is convinced it was murder and that the killer is a member of his own tightly knit but dysfunctional family. He employs disgraced financial journalist Mikael Blomkvist (Michael Nyqvist) and the tattooed and troubled but resourceful computer hacker Lisbeth Salander (Noomi Rapace) to investigate. When the pair link Harriet's disappearance to a number of grotesque murders from almost forty years ago, they begin to unravel a dark and appalling family history. But the Vanger's are a secretive clan, and Blomkvist and Salander are about to find out just how far they are

### Plot Summary

Forty years ago, Harriet Vanger disappeared from a family gathering on the island owned and inhabited by the powerful Vanger clan. Her body was never found, yet her beloved uncle is convinced it was murder and that the killer is a member of his own tightly knit but dysfunctional family. He employs disgraced financial journalist Mikael Blomkvist (Michael Nyqvist) and the tattooed and troubled but resourceful computer hacker Lisbeth Salander (Noomi Rapace) to investigate. When the pair link Harriet's disappearance to a number of grotesque murders from almost forty years ago, they begin to unravel a dark and appalling family history. But the Vanger's are a secretive clan, and Blomkvist and Salander are about to find out just how far they are

**Fresh:** An altogether leaner, meaner, more high-powered, stylish, and deftly directed affair, though similarly hampered by a too-long narrative fuse. - J. Hoberman, Village Voice, Dec 20, 2011

**Fresh:** When it comes down to it, this is Rooney Mara's movie, and I don't care if the second and third stories are any good as long as they are full of Lisbeth Salander. - Mark Rabinowitz, CNN.com, Dec 20, 2011

**Fresh:** I don't think I've seen an actor do more with deadpan expressions than Mara does in this movie. Her face doesn't move but, whether she's tasing a man or standing in front of a mirror watching a cigarette dangle from her mouth, we respond to her. - Wesley Morris, Boston Globe, Dec 20, 2011

**Fresh:** It's certainly worth seeing if you missed the original. If you saw it, however, there's no way of unseeing it, and nothing in the new one to top it. - Joe Morgenstern, Wall Street Journal, Dec 22, 2011

### Handlung

Der prominente Enthüllungsjournalist Mikael Blomkvist bekommt einen ungewöhnlichen Auftrag: Henrik Vanger, greiser Patriarch einer einflussreichen Industriellenfamilie, bittet ihn, seine Nichte Harriet zu finden – die vor über 40 Jahren unter mysteriösen Umständen spurlos verschwunden ist! Unerwartete Unterstützung bekommt Blomkvist von der ebenso genialen wie kompromisslosen Hackerin Lisbeth. Gemeinsam tauchen die beiden bei ihren Recherchen immer tiefer in die Geschichte der Vanger-Dynastie ein – und stoßen dabei auf Grausames, Erschreckendes, Unerträgliches... Ein packender, beängstigend intensiver Thriller nach Stieg Larssons Weltbestseller VERBLENDUNG, dem meistverkauften Buch Europas 2008. Perfekt besetzt
